Instructions for Form TT – 8 Virginia Tobacco Products Tax Return

Purpose

Form TT-8, Virginia Tobacco Products Tax Return (OTP), must be filed monthly by any person engaged in the business as a tobacco products distributor who purchases tobacco products for sale in the Commonwealth. Payment of the OTP tax is due with the return.

A distributor is liable for the OTP tax if they are engaged in the business of selling tobacco products in the Commonwealth or if they bring into the Commonwealth any untaxed tobacco products for sale to retail dealers in the Commonwealth. Any retail dealer in the Commonwealth in possession of untaxed tobacco products is liable for the OTP tax when the tobacco products are purchased.

The tax is due in the month the product is sold to a Virginia retailer. The tax is based on the distributor's purchase price of the products sold, or in the case of moist snuff and loose leaf tobacco, the weight of the products sold. The tax is assessed on, and is the responsibility of, the wholesale distributor, not the distributor's retail customer.

Distributors and retailers purchasing tax-paid products are not liable for any additional OTP tax on those purchases.

Note: Cigarettes are not subject to the OTP tax.

Registration

You must register as an Other Tobacco Products ("OTP") distributor before filing Form TT-8. OTP distributors making taxable purchases of roll-your-own (RYO) tobacco, and who are not currently registered as a cigarette stamping agent, are required to apply for a dual registration permit as both an OTP distributor and a cigarette stamping agent.

To register, complete Form TT-1, Application for Cigarette Stamping Permit and Tobacco Products Tax Distributor's License, and Schedule A which are available on our website: www.tax.virginia.gov.

For assistance, call (804) 371-0730 or write to the **Virginia Department of Taxation, P.O. Box 715, Richmond, VA 23218-0715**. You can obtain most Virginia tax forms from our website: www.tax.virginia.gov or by calling (804) 367-8037.

Return and Payment

Form TT-8 and your OTP tax payment are due on the twentieth of the month for sales/purchases of untaxed OTP made and sold in Virginia during the preceding month.

Effective July 1, 2016, you are required to electronically file Form TT-8 and submit payment using the Department's online **eForms** option available at www.tax.virginia.gov. Payments can be remitted by direct debit when filing the form or by an ACH credit transaction arranged through your financial institution.

eForms allows you to file your return at your convenience and schedule your direct debit payment for any date between the time you file online through the due date of the return.

Submit your return and payment as soon as possible after the close of the reporting period, but no later than the 20th day of the following month. A return must be filed for each monthly reporting period even if no tax is due.

Payments returned by the bank will be subject to a returned payment fee in addition to any other penalties that may be incurred.

If you are unable to meet the electronic filing requirements, you must request a temporary waiver. If you have been granted a waiver, mail your return and payment to **Virginia Department of Taxation, P.O. Box 26627, Richmond, VA 23261-6627**. Visit www.tax.virginia.gov for more information.

Definitions

Loose Leaf Tobacco: Any leaf tobacco that is not intended to be smoked (chewing tobacco), but does not include Moist Snuff.

Manufacturer's Sales Price: The actual price for which a manufacturer, or other person, sells OTP to an unaffiliated distributor or retailer. If a distributor is unable to determine the manufacturer's sales price, he may use his purchase price (prior to any discounts) of the tobacco products to compute the tax liability.

Moist Snuff: Any finely cut, ground or powdered tobacco that is not intended to be smoked but does not include any such tobacco that is intended to be placed in the nasal cavity. Moist Snuff includes items such as snus and dissolvable tobacco products.

Tax Rates

Other tobacco products are taxed at different rates, depending on the product.

Cigars, Pipe Tobacco, Roll Your Own (RYO) and "Other": Ten percent (10%) of the manufacturer's sales price.

Moist Snuff: \$.18 per ounce, based on net weight. There is a proportionate tax at the same rate on all fractional parts of an ounce.

Loose Leaf Tobacco: \$.21 for each unit less than 4 ounces; \$.40 for each unit at least 4 ounces but not more than 8 ounces; \$.70 per unit at more than 8 ounces but not more than 24 ounces. Units that exceed 24 ounces are taxed by net weight at \$.21 per unit plus \$.21 for each increment of 4 ounces, or portion thereof that exceeds 16 ounces.

All products taxed by weight are based on the weight of the consumer sized unit produced by the manufacturer to be sold to consumers as a single unit and containing one individual package.

Records should include all sales, purchase and disbursement journals, other books of original entry, general ledgers, and other records required to calculate, verify, and document adjustments claimed and taxes paid. The Virginia Department of Taxation may enter any place of business during normal business hours to inspect the books and records.

All such books and records must be preserved for a period of at least three years from the due date of the return.
