FORM 500CP Virginia Automatic Extension Payment

MAKE THE MOVE TO ELECTRONIC FILING

If you owe tax, use our website at www.tax. virginia.gov. It is the quickest and most convenient way to pay your tentative tax.

What's New

Beginning with taxable year 2005, you are allowed an automatic six-month extension of time to file your tax return. This provision does not extend the due date for payment of taxes; and you must pay at least 90% of your tax by the original due date for filing the return (April 15, 2011 for calendar year filers).

Purpose Of Form 500CP

Form 500CP is a payment coupon. File Form 500CP to submit your payment by check or money order. You are not required to file Form 500CP to obtain the extension if no additional payment (to meet 90% of liability) is due.

Do not file Form 500CP if you determine that you do **NOT owe additional tax** or you make your extension payment electronically using iFile or you use the EFT telephone system.

When And Where To File Form 500CP

File Form 500CP with your payment on or before April 15, for calendar year filers, or as soon as you realize you owe tax. For fiscal year filers, file Form 500CP with your payment on or before the due date of your return. **Note:** The due date for a nonprofit corporation with unrelated business income is the 15th day of the sixth month following the close of the taxable year. If the due

date falls on a Saturday, Sunday or legal holiday, Form 500CP, with payment, may be filed on the next day that is not a Saturday, Sunday or legal holiday.

Be sure to write your Federal Employer Identification Number, tax year and "VA 500CP" on your payment.

Send the completed Form 500CP and payment to:

Penalty For Failure To Timely File And Pay The Tax Due

When the return has been filed during the extension period but 90% of the tax liability was not paid by the original due date, you will owe a penalty. The penalty is two percent per month for each month or fraction thereof from April 15 for calendar year filers, (due date for fiscal year filers) to the date of filing.

If the return is not filed on or before the extended due date, the late file penalty shall apply as if no extension had been granted.

The daily interest on any tax due and/or applicable penalty will accrue at the rate of 2% over the federal "underpayment rate" in accordance with Section 58.1-15 of the Code of Virginia from the original return due date until paid in full.
